

Our Changing World  
This essential skills and knowledge project revises the features of Earth, time zones and lines of latitude and longitude to pinpoint places on a map. Children find out more about map scales, grid references, contour lines and map symbols. They learn about climate change and the importance of global trade. Children analyse data and carry out fieldwork to find out about local road safety. They study patterns of human settlements and carry out an enquiry to describe local settlement patterns.

# Frozen Kingdoms

Significant person:  
Robert Falcon Scott

# Our Changing World

Significant person:  
Edward Michael Grylls

# Sow, Grow and Farm

Sow, Grow and Farm  
This project teaches children about the features and characteristics of land use in agricultural regions across the world, including a detailed exploration of significant environmental areas

Significant person:  
Harriet Williams Russell Strong

Significant person:  
Alan Titchmarsh

Year 6

Frozen Kingdoms  
This project teaches children about the characteristics and features of polar regions, including the North and South Poles, and includes a detailed exploration of the environmental factors that shape and influence them.

Rocks, Relics and Rumbles  
This project teaches children about the features and characteristics of Earth's layers, including a detailed exploration of volcanic, tectonic and seismic activity.

Significant person:  
Katia Krafft

Significant person:  
Alfred Wegener

# Rocks, Relics and Rumbles

Year 5

# Investigating Our World

Investigating Our World  
This essential skills and knowledge project teaches children about locating map features using a range of methods. They learn about the Prime Meridian, Greenwich Mean Time (GMT), and worldwide time zones and study interconnected climate zones, vegetation belts and biomes. Children learn about human geography and capital cities worldwide before looking at the UK motorway network and settlements. They carry out an enquiry to identify local settlement types.

Our Planet, Our World  
This essential skills and knowledge project teaches children to locate countries and cities, and use grid references, compass points and latitude and longitude. They learn about the layers of the Earth and plate tectonics and discover the five major climate zones. They learn about significant places in the United Kingdom and carry out fieldwork to discover how land is used in the locality

# One Planet, Our World

Year 3/4

# Coastline

Significant person:  
James Hutton

Coastline  
This project teaches children about the physical and human features of coastal regions across the United Kingdom, including a detailed exploration of the coastal town of Whitby, in Yorkshire.

Significant person:  
Daniel Gabriel Fahrenheit

Let's Explore the World  
This essential skills and knowledge project teaches children about atlases, maps and cardinal compass points. They learn about the characteristics of the four countries of the United Kingdom and find out why there are hot, temperate and cold places around the world. They also compare England to Somalia. Children carry out fieldwork, collecting primary data in their locality to answer geographical questions.

# Let's Explore the World

Year 1/2
