Welcome to Year 6; we hope you have all had a fantastic summer holiday!

The staff in Year 6 are Miss Carlile (Windsor class), Mrs Daysh (Rashford class), Ms Winterton, Mrs Ferry and Miss Graham. As always, please do feel free to come in and discuss any worries or concerns you have throughout this year. Please use Class Dojo to message if there is anything that we need to know.

We are excited to see what we can achieve together throughout this year. We know you will be amazing and achieve great things !

Our topic this half term is 'Britain at War,' where we investigate the causes of the World Wars and the lasting effects on society. We will read extracts from the book and watch the film of 'Goodnight Mister Tom,' alongside 'Letters from the Lighthouse,' the poem 'Flanders Fields' and a range of other texts. We will also look at how music was significant to people during the World Wars.

Our Science focus is the circulatory system and we will develop our DT textile skills, through our 'Make Do and Mend' topic.

In Computing, we will look at webpage design and creation. In RE, Bible Explorers will be teaching us about the New Testament.

We will be confirming dates and putting out more information regarding our trip for this topic and our Evacuee Day, which does involve dressing up :-) We can't wait!

Home-Learning

Children will receive spellings every FRIDAY and will be tested the FOLLOWING THURSDAY.

Please read as much as possible too. In Y6, children can write in their own planner, but do receive an extra Dojo if an adult signs their planner once a week. Home-learning is given out every FRIDAY, to be handed in the following WEDNESDAY. Also, don't forget to complete a creative home-learning task– Dojos will be earned for these :-)

PE days are on WEDNESDAY and FRIDAY. Please make sure your child comes to school in their PE kit. We will be doing PE outside unless it is absolutely throwing it down, so please layer up and bring a coat :-) !
